Dear Jeanette:

There is no adequate way to thank you for the terrific job you did in planning, coordinating, scheduling, managing, and directing the 1998 annual conference and meeting. You did the Association a great service, and showed extraordinary organizational and leadership skills in the process. The conference would not have been a smooth, as well-ordered, or as seamless, without your hard work!

On behalf of the membership of the Association, and myself, many, many thanks. I look forward to working with you as we take VRA to Los Angeles in 1999.

Cordially,

Jenni M. Rodda, President
