Dear Jeanette:

On behalf of the Executive Board and the membership of the Association, please allow me to extend our gratitude and deep appreciation for the leadership you showed at the VRA conference in Los Angeles this past February. Your work as overall conference organizer, program content coordinator, and local arrangements director literally made this meeting work. The conference would simply not have been as great a success without your considerable investment of time and effort. To be able to report that we had two profitable conferences during your term as Vice President was one of the greatest pleasures of our time in Los Angeles, and highlights the value of your work.

Your service benefits everyone in the Association, and presents a fine example for future conference volunteers. My personal thanks to you for your all your hard work, your good humor, your patience, and your attention to detail. Please do not hesitate to contact me if I may be of some future service; you are missed on the Board.

Cordially,

Jenni M. Rodda, President
