

CURRICULUM VITAE

Laurie Poulson

lpoulson@u.washington.edu

9713 112th Ave NE (425) 822-4790 (home)
Kirkland WA 98033-4145 (425) 941-6043 (cell)

EMPLOYMENT

2007-present University of Washington, Department of Linguistics **Research Assistant**

2004-2007 University of Washington, Department of Linguistics **Teaching Assistant**

EDUCATION

2006 University of Washington **M.A. in Linguistics**

1986 University of Washington **B.S. in Mathematics**

HONORS

1986 Phi Beta Kappa, University of Washington, Seattle.

MASTER'S THESIS

2006 *Evaluating a cross-linguistic grammar model: Methodology and gold-standard resource development*

WORKSHOP PROCEEDINGS: FULL PAPER REVIEW

2007 Validation and Regression Testing for a Cross-linguistic Grammar Resource. ACL 2007 Workshop on Deep Linguistic Processing. Emily M. Bender, Laurie Poulson, Scott Drellishak and Chris Evans.

REFEREED PRESENTATIONS

2005 'Semantic constraints on syntactic analyses of NPs in grammar engineering.' Presented at the 79th annual meeting of the LSA, San Francisco. Emily M. Bender, Scott Drellishak, Bill McNeill, and Laurie Poulson.

INVITED PRESENTATIONS

2006 'Methodology for Evaluating Matrix Typology Modules'. DELPH-IN participants workshop, Fefor, Norway.

2006 'Evaluation and pan-lingual resource development'. Turing Center, University of Washington.

2005 'Montage: a toolkit for language documentation'. UW/Microsoft 6th Symposium in Computational Linguistics Poster Session. With Emily Bender and Jeff Good.

RESEARCH ASSISTANTSHIP

2007-2008 The Grammar Matrix: Computational Linguistic Typology project, University of Washington. Responsibilities include research, analysis and development of an implementation of tense and aspect within the Grammar Matrix Customization system.

TEACHING EXPERIENCE

Instructor: Survey of Linguistic Method and Theory

Winter 2007

Autumn 2006

Teaching Assistant for Introduction to Computational Linguistics

Spring 2007, Instructor: David Goss-Grubbs

Autumn 2005, Instructor: David Goss-Grubbs

Teaching Assistant for Introduction to Linguistics

Spring 2006, Instructor: Sharon Hargus

Winter 2006, Instructor: Toshiyuki Ogihara

Spring 2005, Instructor: Richard Wright

Winter 2004, Instructor: Toshiyuki Ogihara

Autumn 2004, Instructor: Jurgen Klausenburger

ACADEMIC SERVICE

2008 Reviewer for NWLC - 2008

2006-2007 Lead Teaching Assistant, University of Washington, Linguistics Department

2006-2007 Assistant to the VP, Linguistic Society at the University of Washington (LSUW)

2005 Reviewer for UWWPL-24

2005 Docent for UW Breath of Life Conference

MEMBERSHIPS

LSA Linguistic Society of America

ACL Association of Computational Linguistics

February, 2008
