CURRICULUM VITAE

Richard C. Veith, M.D.

Personal Data:

Birthplace: Seattle, Washington
Married: Marcella Pascualy, M.D. (3 children)
Office Address:
 Psychiatry and Behavioral Sciences (Box 356560)
 University of Washington School of Medicine
 1959 NE Pacific
 Seattle, WA 98195
Phone: (206) 543-3752
Fax: (206) 543-9520
E-mail: rcv@u.washington.edu

Education:

Western Washington University, Bellingham, Washington, B.A., 1965-69
University of Washington School of Medicine, Seattle, Washington, M.D., 1970-73

Postgraduate Training:

Internal Medicine Internship, University of Washington School of Medicine, 1973-74
Psychiatry Residency, University of Washington School of Medicine, 1974-77

Faculty Positions Held:

Chair, Department of Psychiatry and Behavioral Sciences, University of Washington School of Medicine, 10/1/98 – present (Acting Chair, 1/5/98 –9/30/98)
Head, Division of Gerontology and Geriatrics, Department of Psychiatry and Behavioral Sciences, University of Washington School of Medicine, 1991-2001.
Professor, Department of Psychiatry and Behavioral Sciences, University of Washington School of Medicine, 1989- present
Associate Professor, Department of Psychiatry and Behavioral Sciences, University of Washington School of Medicine, 1983-89
Assistant Professor, Department of Psychiatry and Behavioral Sciences, University of Washington School of Medicine, 1980-83
Instructor, Department of Psychiatry and Behavioral Sciences, University of Washington School of Medicine, 1977-80

Hospital Positions Held:

Executive Committee, UW Medicine Physicians, 2006-present.
President, UW Medicine Physicians, 2003-2006.
Management Committee, UW Medicine Physicians, 2000-2006.
Board of Trustees, UW Medicine Physicians, October 1998-present.
Board of Directors, UW Physicians Network, UW Medicine, 2000-2006.
University of Washington Academic Medical Center Board, 1999 -2002.

Hospital Positions Held (continued):

Executive Director, Geriatrics and Extended Care, VA Puget Sound Health Care System, March 1998 – September 1998.
Fellowship Director, Geriatric Psychiatry Fellowship Program, Department of Psychiatry and Behavioral Sciences, University of Washington School of Medicine, 1991-1998.
Director, Geriatric Research, Education and Clinical Center, Seattle/American Lake Veterans Administration Medical Centers, 11/87 – 10/98 (Acting Director, 1/87-10/87; 10/98-10/99).
Assistant Chief for Research, Psychiatry Service, Seattle Veterans Administration Medical Center, 1983-1987.
Staff Research Psychiatrist, Geriatric Research, Education and Clinical Center, Seattle Veterans Administration Medical Center, 1977-87.
Chief, Psychiatric Consultation and Liaison Section, Psychiatry Service, Seattle Veterans Administration Medical Center, 1977-79.
Attending Psychiatrist, GRECC Clinical Units, 1977-1998.

Honors:

2005 American Academy of Child & Adolescent Psychiatry, ***Robert Cancro Academic Leadership Award: Best Chair***

Honorary Citations

America's Top Doctors – 2001-present
Who's Who in the World – 1997-
Best Doctors in America: Pacific Region - 1996-97
Who's Who in the West - 1996-
Life Member, National Registry of Who's Who
Who's Who in Medicine and Healthcare - 1996-
Who's Who in Medical Sciences Education – 1995
Best Doctors in America - 1992- present
Global Directory of Who's Who - 2007-

President's Scholar, 1966-69.

Overlake Service League Scholarship, 1965-1966

Board Certification:

National Board of Medical Examiners, July 1, 1974

American Board of Psychiatry and Neurology, January 1979

Added Qualification in Geriatric Psychiatry, ABPN, April 1991; recertification 2000.

Licensure to Practice:

Washington, July 15, 1974

Professional Society Memberships

American Psychiatric Association (Distinguished Fellow, 1986)

American Association of Chairs of Departments of Psychiatry

Academy of Behavioral Medicine Research

International College of Geriatric Psychoneuropharmacology

Special National Responsibilities:

Member, Department of Veterans Affairs Geriatrics and Gerontology Advisory Committee, 2005-present
Data Safety Monitoring Board, JHLBI/NIH project: Consortium for Translation of Psychosocial Depression Theories to Intervention and Dissemination (COPEs – Coronary Patient Evaluation), 2004-present.

Co-Chair, Hartford Foundation Neurology and Psychiatry Geriatric Education Retreat, St. John, VI, 2001.

Aging Research Portfolio Review Group, Research Service, Department of Veterans Affairs, March - July, 1996.

Aging and Clinical Geriatrics Merit Review Committee, Research Service, Department of Veterans Affairs, 1995-98.

Department of Veterans Affairs Representative, White House Conference on Aging Mini-Conference on Emerging Issues in Mental Health and Aging, February 24-26, 1995.

Peer Reviewer, Panel on Recognition and Initial Assessment of Alzheimer's and Related Dementias, Agency for Health Care Policy and Research, Department of Health and Human Services, 1994-

Invited Contributor: NIA Symposium, "The Interaction of Aging, Brain Function, and Cardiovascular Disease," 1992

Review Committee, Geriatric Psychiatry Fellowship Program Training Sites, Medical/Dental Education Programs Service, Department of Veterans Affairs, Washington, D.C., 1990.

Study Section Reviewer, Biochemical Endocrinology Study Section, National Institute on Aging, NIH, 1990

Research Program Specialist in Psychiatry, Department of Medicine and Surgery, Medical Research Service, Department of Veterans Affairs, Washington, D.C., 1989-1992

American Board of Psychiatry and Neurology, Psychiatry Part I Examination Committee 1989-1993.

Invited Contributor: NIA Symposium, "Aging and Drugs that Influence Noradrenergic Systems in Man," 1983

Member, Psychopharmacology Subcommittee of the Psychiatric Knowledge and Skills Self-Assessment Program (PKSAP V), American Psychiatric Association, 1983-1984

Member, National Institute on Aging Task Force on Reversible Causes of Dementia, 1978-1980

Editorial Responsibilities:

International Editorial Board, Academic Medicine, 2007-present
Editorial Board, Journal of the American Geriatrics Society, 1989 - 91.
Editorial Board, International Journal of Geriatric Psychiatry, 1990 - 98.
Editorial Board, Geriatric Consultant, 1984-98

Ad Hoc Reviewer:

New England Journal of Medicine
American Journal of Psychiatry
Archives of General Psychiatry
Journal of the American Geriatrics Society
Journal of the American Medical Association
Annals of Internal Medicine
Journal of Chronic Diseases
Psychosomatics
Psychopharmacology
Diabetes
Life Sciences

Ad Hoc Reviewer (continued):

Psychiatry Research
Biological Psychiatry
Journal of General Internal Medicine
Journal of Neuropsychiatry
Circulation

Special Local Responsibilities:

Member, Western State Hospital Advisory Board. Appointed by Governor Christine Gregoire, March 2008-December 2009.

Executive Committee, UW Medicine Physicians, 2006-present.

President, UW Medicine Physicians, 2003-2006.

Management Committee, UW Medicine Physicians, 2000-2006.

Board of Trustees, UW Medicine Physicians, October 1998-present.

Board of Directors, UW Physicians Network, UW Medicine, 2000-2006.

Co-Chair, Billing Compliance for Clinical Research Trials Task Force, UW School of Medicine, 2002-2003.

Vice-Chair, Physician Education, Billing and Compliance Council, UW Medicine, UW School of Medicine, 2001-2003.

Chair, Search Committee for Chair, Dept. of Biological Structure, UW School of Medicine, Seattle, WA, 2002-2003.

Member, University of Washington Academic Medical Center Board, 1999 -2002.

Chair, Search Committee for Chief Medical Officer, VA Puget Sound Health Care System, Seattle, WA, January 1999 –May 1999.

Member, Search Committee for Chair, Department of Family Medicine, UW School of Medicine, 1998.

Chair, Reorganization Design Action Group, VA Puget Sound Health Care System, December 1996 - November 1997.

Member, Executive Committee, University of Washington Nathan Shock Center for Excellence in the Basic Biology of Aging, 1995 -

Chair, VA Mental Health Task Force, Seattle/American Lake VA Medical Centers, June 1995 - November 1995.

Chair, Department of Psychiatry and Behavioral Sciences Mental Health Task Force, February 1995 - September 1997.

Member, Washington State VA Medical Centers Health Care Reform Strategy Development Team, October - December 1994.

Head, Division of Gerontology and Geriatrics, Department of Psychiatry and Behavioral Sciences, University of Washington School of Medicine, 1991-

Fellowship Director, Geriatric Psychiatry Fellowship Program, Department of Psychiatry and Behavioral Sciences, University of Washington, 1991-1998.

Member, Advisory Board, University of Washington Alzheimer's Disease Research Center, October 1988-present; Chair, 1991- 96.

Chair, Post-Doctoral Fellowship Committee, Department of Psychiatry and Behavioral Sciences, University of Washington School of Medicine, 1988-1998.

Member, Quality Council, Seattle VA Medical Center, 1994 – 1998.

Chair, Research and Development Committee, Seattle Veterans Administration Medical Center, September 1987-October 1988: October 1993 - 94.

Chair, Research Space Subcommittee, Research and Development Committee, Seattle Veterans Administration Medical Center, October 1985-September 1987

Member, Human Subjects Review Committee, University of Washington, October 1985-January 1987

Special Local Responsibilities (continued):

Member, Research and Development Committee, Seattle Veterans Administration Medical Center, October 1985-September 1987

Member, Health Services Research and Developmental Committee, Seattle Veterans Administration Medical Center, 1980-1985

Training Director, NIMH-sponsored Geriatric Fellowship Program, Department of Psychiatry and Behavioral Sciences, June 1980-July 1982

Board of Directors, Norwest Day Care Center (Geriatric), Seattle, Washington, 1978-1982; President, 1980

Member, Medical School Course Committee, Human Biology 564 Principles of Pharmacology II, University of Washington School of Medicine, 1979-1999.

RESEARCH SUPPORT

Grants Completed:

- Okimoto, J., Inui T., Raskind, M., Barnes, R., **Veith, R.**: Prevalence of depression and characteristics of the depressed geriatric patient in the medical clinic. Local Seattle Veterans Administration Medical Center Project. August 1978 (\$5,020).
- Raskind, M., **Veith, R.**, Barnes, R., Ritchie, J.: Psychopharmacology of post-myocardial infarction depression in the elderly. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 1/80-1/82 (\$82,800).
- O'Leary, M., Pfeifer, M., Cummings, C., Walker, R.D., **Veith, R.C.**, Sherrard, D.J.: Assessment of cognitive and autonomic deficits in alcoholics. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 10/80-9/83 (\$165,000). (Funded, P.I. withdrawn)
- Raskind, M., Peskind, E., Barnes, R., Prinz, P., **Veith, R.**, Bird, T., Halter, J.: Secondary depression in senile dementia of the Alzheimer's type. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 10/1/82-10/1/85 (\$137,100).
- Veith, R.**, Halter, J., Barnes, R., Raskind, M.: Sympathetic nervous system function in depressive illness. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 10/1/83-4/1/87 (\$132,800).
- Halter, J.B., **Veith, R.C.** (Co-investigator), Barnes, R., Ward, W.K., Beard, J.C.: Aging and sympathetic nervous system function in man-metabolic studies. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 4/1/83-4/1/86 (\$237,359).
- Murburg, M.M., **Veith, R.C.**, Dorsa, D.M., Malas, K.L.: Noradrenergic function and endorphin secretion during methadone addiction. Alcoholism and Drug Abuse Institute, University of Washington. July 1, 1983 (\$10,930).
- Vitiello, M.V., Prinz, P.N., **Veith, R.C.** (Co-investigator): Dietary sodium, sympathetic activity, sleep and aging. National Institutes on Aging Award (AGO-4348-03). 9/1/83-8/31/86 (\$108,000).
- Raskind, M.A., Dorsa, D.M., Peskind, E.R., **Veith, R.C.** (Co-investigator) and Bird, T.: Central noradrenergic and vasopressinergic function in Alzheimer's disease. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 4/1/86-4/1/89 (\$254, 144).
- Villacres, E.C., **Veith, R.C.** (sponsor): Sympathetic and parasympathetic function in panic disorder. Individual National Research Service Award, Department of Health and Human Services, Public Health Service, 10/1/86-10/1/88 (\$60,000).
- Ko, G.N., Dorsa, D.M., Raskind, M.A., **Veith, R.C.** (Co-investigator): The density of alpha-2 adrenergic receptors in Alzheimer's disease. Regional Advisory Group pro-posal, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 12/1/86-10/1/867 (\$26,074).

Grants Completed (continued):

- Abrass, I., Schwartz, R.S., Stratton, J.R., Beard, J., **Veith, R.C.** (Co-investigator), Cain, K., Cerqueira, M., Shuman, W.P., Ward, K.W., Wallum, B.J.: Program Project: Metabolic and cardiac effects of exercise in the elderly. National Institutes of Aging, 10/1/86-10/1/89 (\$1,498,487).
- Schwartz, R.S., Beard, J.C., Jaeger, L.F., Shuman, W.P., **Veith, R.C.** (Co-investigator): Body composition in obesity and diabetes. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 4/1/87-4/1/90 (\$300,420).
- Taborsky, G.J., Dunning, B.E., **Veith, R.C.** (Co-investigator), Baskin, D.G., O'Dorisio, T.M., Roos, B.A., Debas, H.: Pancreatic neuropeptides and islet function. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 4/1/87-4/1/90 (\$188,961).
- Veith, R.C.**, Dorsa, D.M., Raskind, M.A., Wilkinson, C., Ries, R.K., Khan, A., Villacres, E.C.: CNS regulation of the sympathetic nervous system in depression. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 4/1/87-4/1/90 (\$250,500).
- Ashleigh, E.A., **Veith, R.C.** (Co-preceptor), Dorsa, D. (Co-preceptor): Adrenomedullary function in panic disorder. Research Training for VA Psychiatrists Fellowship, Department of Medicine and Surgery, Department of Veterans Affairs, Washington, D.C. 7/1/89-7/1/91
- Roy-Byrne, P.P., **Veith, R.C.** (Co-investigator), Hommer, D., Vitaliano, P.P., Fuchs, A., Wilkinson, C.: Benzodiazepine receptor sensitivity in panic and generalized anxiety disorders. National Institutes of Mental Health. 12/1/87-12/1/90 (\$279,907).
- Lampe, T.H., **Veith, R.C.** (Co-investigator), Horita A, Plymate, S., Dorsa, D.M., Risse, S., Raskind, M.A.: Plasma norepinephrine responses to TRH in Alzheimer's disease. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Veterans Administration, Washington, D.C. 4/1/88-4/1/91 (\$150,000).
- Raskind, M.A., Peskind, E.R., Dorsa, D.M., **Veith, R.C.**: Psychopathology of Alzheimer's: Psychoendocrinology. RO-1 Proposal, National Institute on Aging. 1/1/89-12/31/90 (\$226, 749).
- Murburg, M.M., Dorsa, D.M., **Veith, R.C.** (Co-preceptor): Dopaminergic regulation of pituitary beta-endorphin secretion in humans. Veterans Administration Career Investigator Research Associate Application,. 1/1/87-7/1/91.
- Raskind, M.A., Dorsa, D.M., Peskind, E.R., Miller, M.A., **Veith, R.C.** (Collaborative Investigator): Early and late onset Alzheimer's disease: Psychoneuroendocrinology. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Department of Veterans Affairs, Washington, D.C. 4/1/89-3/31/92 (\$323,800).
- McCann, B.S., Knopp, R.H., Albers, J., **Veith, R.C.** (Co-investigator): Psychological Stress, Catecholamines and Lipid Metabolism. RO-1 Proposal, National Heart, Lung, and Blood Institute. 4/1/90-3/31/92 (\$537,259).

Grants Completed (continued):

- Vitiello, M., Schwartz, R.S., Ralph, D., **Veith, R.C.**, (Co-Investigator), Prinz, P., Vitaliano, P.: Aerobic fitness: sleep and its correlates in the aged. RO-1 Proposal, National Institutes of Mental Health. 4/1/90-3/31/93 (\$1,445,3392)
- Lampe, T.H., Plymate, S., Risse, S., **Veith, R.C.** (Collaborative Investigator), Raskind, M.A.: Alzheimer's Disease: Physiologic Effects of TRH Infusions. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Department of Veterans Affairs, Washington, D.C. 4/1/91-3/31/94 (374,844).
- Veith, R.C.**, Abrass, I.B., Raskind, M.A., Dorsa, D.M., Lampe, T.H.: Sympathetic nervous system regulation in depression. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Department of Veterans Affairs, Washington, D.C. 4/1/90-3/31/95 (\$568,050).
- Raskind, M.A., Peskind, E.R., Dobie, D.J., Dorsa, D.M., **Veith, R.C.**(Collaborative Investigator): Psychopathology of Alzheimer's: Psychoneuroendocrinology. RO-1 Proposal, National Institute on Aging. 9/1/92-8/31/95 (\$814,457).
- Raskind, M.A., Peskind, E.R., Dobie, D.J., Dorsa, D.M.,**Veith, R.C.** (Collaborative Investigator): Alzheimer's and late-life depression: psychoneuroendocrinology. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Department of Veterans Affairs, Washington, D.C. 4/1/92-3/31/97 (\$686,300).
- Veith, R.C.**, Sullivan, M.D., Cowan, M.J., Spertus, J.A., Shores, M.M., Munson, S.E.: Post-MI Depression: Sertraline Effects on Autonomic Function and Outcome. Merit Review Project, Department of Medicine and Surgery, Medical Research Service, Department of Veterans Affairs, Washington, D.C. 10/1/95-9/30/00 (\$508,000).
- Veith, R.C., Shores, M.M., Lewis, N.: A Randomized, Placebo-controlled Trial of Sertraline (Zoloft) for Major Depression After Myocardial Infarction: the SADHART Trial. Pfizer, Inc., 6/97-12/98, (\$75,000)
- Veith, R.C.**: Geriatric Psychiatry Fellowship Program. Office of Academic Affairs, Department of Veterans Affairs, Washington, D.C. 7/1/90-10/1/98 (\$178,400/year).
- Cowan, M.J., Kogan, H., **Veith, R.C.** (Co-principal Investigator), Stratton, J., Wilkinson, C, Woods, S., Cunningham, S., Betrus, P., Burr, R.: Enhancing Recovery in Coronary Heart Disease (ENRICH) Patients - Clinical Units. NIH, NHLBI-HC-94-28. 10/1/95-9/30/01 (\$2,551,943).
- Mitchell, P.H. (PI), Veith, R.C., (Co-Principal Investigator), Becker, K.J., Cramer, S.C., Teri, L., Tirschwell, D.L., Fruin, M.S., Buzaitis, A.M., Cain, K.C.: Psychosocial/Behavioral Intervention in Post-Stroke Depression. NIH NINR 4/01/2002 – 3/31.2007 (\$1,250,000).
