Remarks

The author believes that the time spent on the previous pages which involve playing with each hand separately is time well spent. Some teachers may desire, in order to move at a faster pace, to begin with both hands together. The following studies combine both hands.

RIGHT THAN LEFT

Slowly

Prepare count

Very short

E AND C

Slowly

Short

E AND C TOGETHER

Count aloud

R-U-READY

Repeat the above studies as often as necessary especially no. 3.
