Clean, comfortable finished room for rent in my home: two-room loft available for \$295.00 per month plus \$30.00 a week towards food. Kitchen and bathroom facilities are shared.

I am a physical therapy aide in Outpatient Rehab. My home is located in Kalispell, 10 minutes from Kalispell Regional Medical Center and The Summit where Outpatient Rehab is located.

I've rented rooms to traveling Registered nurses through our hospital's dialysis center and P.T. students and also O.T. students, also students that are from out of state that are working on Big Mountain for the season. It's been alot of fun getting to know all of them.

I look forward to meeting you. My phone number is 406-756-8040.

Sincerely,

A handwritten signature in cursive script that reads "Dee Clay". The signature is written in black ink and is positioned to the right of the typed name "Dee Clay".
