

Great
Stories Are
Waiting to Be Told at
Peoplefirst
Rehabilitation

Come Be Part of It.

Peoplefirst Rehabilitation offers more than a job to graduating therapists.

We offer potential.

The potential that is created from being mentored by others.

The potential that is tapped through deep involvement with patients.

The potential to play a vital role in a great story of skill, determination and recovery.

It's all part of a career with Peoplefirst Rehabilitation.

Peoplefirst is a division of Kindred Healthcare, and we provide rehab services - including physical, occupational and speech therapies - to nursing homes, hospitals, schools outpatient clinics and assisted living centers across the country.

How We Can Inspire Your Potential

Peoplefirst offers:

- Hands-on experience with state-of-the-art rehab equipment and programs
- Intensive training in different modalities
- Mentoring and training opportunities
- The chance to guide patients fully through the recovery process - our return-home rate is high
- Opportunity for career advancement
- Tuition reimbursement for continuing education - up to \$2,500 a year
- Student loan payback for those selected - \$400 a month for up to 3 years
- Paid time off - 22 days in your first year
- Competitive salary

It's All About Putting People First.

“If we put our patients/residents and our employees first,
the business results will follow”.
- Paul Diaz, President & CEO, Kindred Healthcare

Do you want your students to be connected with a company focused on helping them to continue to grow in their life's work? Here is some information about **Peoplefirst Rehabilitation**, the national rehab leader:

- Peoplefirst is the rehab division of Kindred Healthcare, a Fortune-500 healthcare company
- We are run by therapists who have years of experience in the rehab industry and know how important it is to provide the best patient care possible
- We have various settings: 250 nursing centers, 75 LTAC hospitals, outpatient and external contracts
- Offer excellent clinical education and support with education programs and a highly-specialized team of clinicians who travel across the country to provide training to our therapists
- Comprehensive CFY and mentoring programs, 200+ affiliations
- Continuing Education, Student Loan Repayment Program and Tuition Reimbursement
- AOTA and ASHA accreditation; APTA in process
- Career Ladders, career advancement and strong interdisciplinary team approach
- Our F.I.R.S.T. culture was created by our therapists!
