Director of Clinical Education

SUBJECT: Intern Affiliation Request Questionnaire Signature Letter

Thank you for the Intern Affiliation Questionnaire. It has been reviewed and accepted by the Rancho Allied Health Student Training Programs Committee and Administration (see attached). I have retained the original of your questionnaire for our files. As noted on the approval, your students will be signed in our Ordinance Items as Specialists Without Compensation.

Effective as of February 6, 2009 all students must be live scanned and cleared by DHS Human Resources **before** beginning their affiliation here at Rancho Los Amigos National Rehabilitation Center. The live scan and background check will be done through Rancho Human Resources at Rancho's cost. Students will need to contact Elaine Guerra (Human Resources), (562) 401-8277 or (562) 401-7511 for an appointment for the live scan at least one and a half months before their affiliation start date. After the appointment has been made with Human Resources the student will then contact Jane Hampton (562) 401-7065 with the date of their live scan.

If you have any questions, please address them to the Education Coordinator Jocelyn Blaskey, jblaskey@dhs.lacounty.gov or to Jane Hampton, jhampton@dhs.lacounty.gov the Physical Therapy Education Assistant at (562) 401-7065.
